

Terry HR Consulting

Your Trusted Partner in Human Resources Solutions

At Terry HR Consulting, we specialize in providing tailored HR solutions to help businesses streamline operations, enhance employee engagement, and ensure compliance with employment regulations. Whether you're a startup or an established organization, our expert services will help you build a strong workforce while navigating the complexities of human resources management.

Our HR Services:

- **Recruitment & Talent Acquisition**

Finding and attracting top talent to meet your organizational needs through effective sourcing, interviewing, and onboarding strategies.

- **Leadership Development**

Empowering leaders with essential skills through targeted coaching, workshops, and development programs that drive team success.

- **Performance Management & Employee Engagement**

Enhancing workplace productivity and employee satisfaction through strategic evaluations, feedback mechanisms, and engagement initiatives.

- **Employee Handbook Creation & Updates**

Developing and updating employee handbooks to reflect current company policies, procedures, and legal compliance requirements.

- **HR Policy Development & Implementation**

Designing customized HR policies that align with business goals while ensuring adherence to legal and industry standards.

- **Onboarding & New Hire Orientation**

Creating seamless onboarding experiences that acclimate new employees to company culture, policies, and their roles efficiently.

- **Workplace Harassment & Discrimination Training**

Providing essential training to educate employees on recognizing, preventing, and addressing workplace harassment and discrimination.

- **Employee Relations & Conflict Resolution**

Facilitating workplace harmony through mediation, conflict resolution strategies, and employee relations guidance.

- **Exit Interviews & Offboarding Management**

Conducting structured exit interviews and managing offboarding processes to ensure a smooth transition and gain valuable insights.

- **HR Compliance Audit**

Reviewing HR practices and records to identify risks, ensure compliance with employment laws, and implement corrective actions.

- **Payroll Processing**

Managing payroll operations efficiently, including tax withholdings, wage calculations, and compliance with payroll regulations.

- **Benefits Enrollment & Processing**

Assisting employees with benefits enrollment, provider communications, and compliance with benefits administration policies.
